

# WHY PEOPLE LOVE THE CULTURE, COMMUNICATION, AND CONFLICT CERTIFICATE PROGRAM

“ Truly, this course was so much more useful than any other professional development or leadership training I have done. It was the right level of content, which actually understands the origins of workplace conflict and how it can be addressed. ”

- Emily E.

93%

93% of participants agreed that the Certificate Program courses prepared them to manage conflict respectfully and productively.

94% of participants felt the Certificate Program courses helped them improve their interpersonal communication.
